

University Blues Past Players, Parents and Supporters

As a new crop of eager young men prepare to pull on the Uni Blues guernsey in 2009, it's important that as a club we also recognise our heritage and all those great people who have made Uni Blues the wonderful institution that it is today.

As a club we have been blessed to have so many talented, committed, generous and passionate characters represent and support us over the journey. Even though our players' and supporters' lives take them away from the club, there is a whole horde of people out there who will check the Uni Blues results every Sunday in the paper.

It is for these former Uni Blues players, parents and supporters that the Uni Blues Past Players and Supporters Association – The Blue Bloods – has been created.

The purpose of the Blue Bloods is simple:

To provide Uni Blues past players, parents and supporters with an avenue to reconnect with old friends and rekindle their support of the club that provided them with so many happy memories.

By creating a vibrant network of past players and supporters the Blue Bloods will provide the following benefits to its members:

- An avenue for past players, supporters and friends to reconnect with the club and old friends through organised Blue Bloods' functions;
- An opportunity to rekindle match day support for the Blues knowing that there will be familiar faces at Uni Oval and in the pavvy;
- A strong network of business and industry contacts;
- The chance to give something back to the club.

The benefits that the Blue Bloods will deliver to the club include:

- Increased match day supporter base;
- A strong and diverse network of Uni Blues people with skills, connections and resources that can contribute to the club's success;
- Employment opportunities, career guidance and mentoring for current players;
- Financial support.

It is with great pleasure that we invite all Uni Blues past players, supporters and parents to take up the invitation to become a Blue Bloods member and show your support for our proud club. The Blue Bloods offers you the chance to catch up with old friends and watch the exciting brand of Uni Blues football on one of most picturesque grounds in the country.
