# University Blues Annual Report 2009

## The season now past .....

The 2009 season once again saw the four University Blues teams compete at the highest levels of the VAFA. All our teams played off in at least the Preliminary Final of their respective competitions. Congratulations to the Uni Blues Reserves team on making it back-to-back grand final successes with the A Section Reserves Premiership in 2009 and commiserations to the Senior, Under 19 and Club XVIII teams whose finals campaigns were cut a little short.

The Senior team came so close to playing in the A section Grand Final and achieved more than competitive results during the season against the 2 grand final teams, including our Preliminary Final performance. Whilst we certainly missed an opportunity, the overall performance of the Senior team was overwhelmingly positive given the turnover of players from 2008, the relatively young and inexperienced player group that were required to step up against mostly mature opposition teams and our slow start to the season.

The important lesson to be learnt from the season is that there is no substitute for early season wins. Whilst we were very competitive and consistent in all games during the year with our largest losing margin being 38 points (average losing margin 22 points), the reward for wins during the year is often realised with the additional chances you are afforded in the finals, a situation we could not produce after our first 6 weeks. The Senior team was 2 wins and 4 losses after the first 6 games, the resultant pressure build up from having to win to retain fourth spot on the ladder meant that every outing toward the end of the year was a pseudo elimination final. In the end, this contributed to the cut throat nature of every game we played from our Round 11 loss to Old Xavs at Uni Oval, after which we were 5 wins and 6 losses, until our last game in the finals some 9 weeks later. However, the overriding positive for the Senior team was that from that Round 11 loss we were able to win 6 of the last 7 games to improve our position on the ladder and achieve a finals berth at a time when 2009 ended abruptly for 6 other clubs. The First Semi Final win against St Bede's Mentone (who had beaten us twice during the season by over 30 points) in extra time was not only a very exciting game but also one of the most memorable Uni Blues wins for a long time. Unfortunately, we could not retain our momentum after 5 wins in a row, and lost the Preliminary Final by 17 points following a lapse in concentration before half time and our inability to utilise the wind to our advantage for the majority of the third quarter.

The Reserves Premiership win, making it back-to-back wins for 2008 and 2009, was a fantastic result for the Club. Having only lost 3 home and away games for the year, 2 of those in the first 3 rounds, the Reserves rightfully entered the finals series confident but aware that the Old Xavs had performed equally as well overall. The Reserves' defeat in the Second Semi Final by 49 points was the team's highest losing margin for the year and, not surprisingly, their most disappointing loss. It is a reflection of the calibre of players we are lucky to have at Uni Blues, that the Reserves were able to bounce back in the last 2 finals and convincingly defeat their Second Semi Final nemesis, the Old Xavs, in the Grand Final by 28 points.

The improvement in the Under 19 team in 2009 was staggering. After the first 5 rounds, the team sat at an unhealthy 1 win and 4 losses. To the absolute credit of all players, coaches and supporters of the Unders, the team displayed a great commitment to improve and resolve to pursue their goals with 6 wins from the last 8 rounds to enter the four with 3 rounds to go. Holding firm in the four until the finals, the Unders had a great win against Old Scotch in the First Semi Final at Sandringham. Unfortunately, they could not get over the eventual Premiership team, De La Salle, in the Preliminary Final. None the less, the Under 19 team had a fantastic season, grew together as a team and I am sure formed some notable friendships that will last into the future. Congratulations to all those involved. The Uni Blues look forward to many of this year's Under 19 players forming the backbone of the senior part of the Club in 2010 and beyond. Thanks to the loyal band of Unders support staff: Alan Salter, Mark Maddocks, Bernie Angel, Frank Henagan and Eddie Banks.

On balance, the Club XVIII team had an excellent season. Despite having a considerable turnover of players from week to week, the team finished the season with 10 wins/5 losses and in fourth position on the ladder. The team's First Semi Final win against Old Xavs Crocs, who for the last 15 years have clearly been the most consistent and dominant team in Club XVIII football, was a fantastic result. The Uni Blues Clubbies' win on this day ended the Crocs run of 17 consecutive Grand Final appearances. Unlike last year, the Club XVIII season ended prematurely with a Preliminary Final loss on a wet and windy day at Elsternwick Park. The efforts of those who support the Club XVIII team are also very much appreciated: Bob Girdwood, Tim Giles, Graeme Hazeldine and Matt Ricketson, thanks to all of you.

In all, just over 130 players represented the Uni Blues on the field in our 4 teams during season 2009. The Club would like to sincerely thank every player for their dedication and commitment to the Club and the sacrifices that each player made to play, train and actively participate in the Club environment. One of the most important aspects of Uni Blues is the willingness of the players to be involved in all aspects of the Club, and in 2009 all of our players responded magnificently to the demands expected of them both on and off the field. Led by our Captain, Andrew Lowcock, the Club regards the character and quality of the entire player group very highly.

Developing, supporting, preparing, conditioning and challenging in excess of 130 players to achieve a common goal is not an exact science or an easy task. Coaching comes with certain pressures, attracts subjective comment, demands an enormous commitment and requires the provision of honest feedback that may not necessarily be welcomed or expected. Whilst our overall results tell a certain story, those close to the day-to-day machinations of the Club know that our 2009 coaching group has done a wonderful job. Along with the entire playing group, the coaches must be congratulated on their efforts and commitment throughout the year. John Kanis, Chris Reid, Damien Guengerich, Richard Maloney, Nick Holland, Richard Taylor, Matt Embling, Alan Salter, Mark Maddocks, Tom Granleese and Tim Giles collectively provided terrific direction and inspiration for all players. Well done and thanks. In particular, congratulations to Gunga, the players and the other coaches who contributed to the Reserves team winning the flag.

### **The season fast approaching .....**

The prospects for the 2010 season look nothing but encouraging and promising considering the advantage of our 2009 finals experience, the anticipated growth of our young list, and the Under 19 players coming through. However, nothing can be taken for granted in VAFA football and the reality is that each and every one of us will have to work harder to improve on our 2009 performance. Uni Blues needs every 2009 player to commit to 2010, prepare as best they can and display a steely resolve to be better in 2010.

### **The people who provide support .....**

The Executive Committee deserves acknowledgement and a great deal of thanks for their tireless efforts for the Uni Blues in amongst their often competing obligations of work and family. To Isobel Rogerson (Vice President & VAFA Secretary), Tom Hutchins (Operations), George de Crespigny (Commercial), Joe Sturrock (Finance), Stephen Meade (Club Secretary), Justin Quill (Football Operations), Damien McAloon and Hugh Nailon (Brand/Communications), the Club really appreciates the time and effort you were prepared to devote to Uni Blues this year. The work of the Executive Committee has been underpinned by the enormously supportive efforts of Bob Girdwood and Bernie Angel. The Club is extremely fortunate to have had these two people continuously involved in the inner workings of the Club and prepared to undertake and complete every task requested of them with aplomb.

Unfortunately, both Isobel and George have signalled their intention not to be on the Committee in 2010 and would prefer to help the Club from behind the scenes. More on George later, but to Isobel thanks for your many years of dedicated effort and involvement at Uni Blues.

Football Manager, David Phefley and Administration Manager, Luke Gatti, worked tirelessly behind the scenes in 2009. They were always reliable, enthusiastic and positive about what was required of their roles. Our Club match day organisation, player/staff communications and administrative requirements of Melbourne University and the VAFA directly benefited considerably as a result of the work of these two people.

The rest of our match day and training support personnel continue to devote their time and energy beyond the call of duty. It is people like Tony McInerney, Gerry Westmore, John Carmody, Bernie Angel, Alan Salter, Frank Henagen, Bob Girdwood, Frank Benjamin, Tony Heinz, Neil Turner and, of course, Ray "Sugar" Scanlon who, without a hint of exaggeration, keep the Uni Blues going with their dedicated and unwavering efforts. The Club trusts these people get great satisfaction from being involved at Uni Blues, the successes we have from time to time and, given their valuable input, get thanked enough.

A special mention to Tony McInerney and his team of culinary apprentices for coordinating meals and soup for players, staff and supporters on Thursday nights at the pavilion after training. This luxury is highly valued by the players and contributes enormously to the culture and fabric of the Uni Blues as it brings together the players of all our teams on a regular basis in a relaxed environment. Whilst difficult to measure in tangible way, it undoubtedly contributes to our on field performance and camaraderie.

The provision of medical support by Peter Brukner from Olympic Park Sports Medicine has become an accepted norm at Uni Blues. This amazing service could be easily taken for granted, but the Club would like to assure Peter that his continuous support and involvement in the Club for over 30 years is very much appreciated by everyone. Special thanks should also be afforded to our first class medical team; Doctor Rebecca Young did a great job in her first year as did physiotherapist, Jade Goodge. The players certainly appreciated the professional and diligent way you both dealt with the many injury management issues that arose. The Monday night clinic was a great initiative. To the rest of the medical team Jesse, Winsen, Matt, Isaac and Sugar Ray we also thank you very much.

The Club owes a great debt to all the players who over the years have been prepared to not only play for the Club, but also help off the field. The ability and willingness of our close-knit player group to take on other responsibilities contributed enormously to the success of the Club once again in 2009. Led by Dirk Heinz, players Simon Gilbertson, Matt Torney, Tom Stainforth, Sam Chadwick, Will McLachlan, Alex Suvoltos & Ben McConnell coordinated our player social functions. In addition, our Club Captain, Andrew Lowcock provides great leadership and is always prepared to get involved and help, Simon Gilbertson (Gear & Apparel), Tom Stainforth (Player Subs) and Tom Girdwood (Matchday Bar) also perform very supportive tasks that often go without being noticed or thanks.

Under the direction of Damien McAloon and Hugh Nailon, a concerted effort has been made this year to provide up to date, informative and immediate communication with the Uni Blues community. The Club would like to acknowledge the efforts of John Wood, Liam Quin, Peter Steele, David Phefley, Tom Hutchins and Justin Jamieson in this area. Your collective input was first class in producing regular correspondence with our players and supporters, the weekly newsletter and website reports on each team, notice of upcoming social events and action photos from the games, not to mention maintaining the content on the website itself.

A special thanks to Andrew Henderson. This year Hendo developed and implemented the Blue Bloods, and has laid a very solid foundation that will provide an opportunity for the Club to develop a more comprehensive and mutually beneficial link with our extensive past player and supporter network. The Blues Bloods is a concept we must capitalise on and grow over time. Also thanks also to Gillon McLachlan for creating the additional link to the Blues Barons.

## **Our valued sponsors & supporters .....**

The Club would find it extremely difficult to exist without sponsors. The costs associated with running a football club are ever increasing, the VAFA affiliation fees alone for Uni Blues are in excess of \$20,000 and our medical consumables amount to over \$12,000 annually. To our major sponsors, many having contributed for many years, we thank you:

- Batch Executive – Simon Chambers & Jasmine Bahen
- Abercromby's Real Estate Pty Ltd – Rob Vickers-Willis
- Megabolt- Warwick & Tom Hutchins
- Olympic Park Sports Medicine – Peter Brukner
- Muirfield Financial Services – Hayden & Sally Torney
- John & Sue North
- Tony & Karin Heinz
- Mark Robertson – his businesses & Shadowfax wines
- The Kingston Hotel in Richmond
- Grin Creative – Justin Jamieson
- UCLA tees - Barry Neivandt of Patriot Clothing P/L
- Bashukway Travel – Aaron Davis

The Uni Blues Ball and major Auction Night has become a vital part of the Club's annual fundraising efforts. In 2009, this event was once again an outstanding success and a terrific example of the many generous people willing and happy to support the Uni Blues. Special thanks to George de Crespigny, Karin Heinz, Tom Hutchins, Emily Wadham at ESP, and Kaylee George for the enormous amount of time and effort it takes to stage such a spectacular night.

In addition, the Club is also fortunate to have a number of valued supporters prepared to support the Uni Blues in many ways. To all the other parents and supporters who contributed with donations, by attending our games, providing player sponsorships and supporting the major fundraiser with auction item donations and purchases, we appreciate your generosity very much and would like to extend our sincere thanks.

## **The others we could not do without .....**

Thanks to Kate Faram for doing a superb job coordinating our game day canteen and contributing to Afternoon Tea in the Pavilion.

It seems like a long time ago that this group were in operation, but the 2009 Recruiting Team led by Peter Hannan that included Justin Quill, Matt Torney and John Frith along with John Kanis and Andrew Lowcock (as required) deserve recognition. A vital element of any Club's administrative efforts, recruiting can be very time consuming and sometimes a thankless task. However, attracting players to the Club and supporting the players while at the Club has become increasingly more significant in Amateur football. Uni Blues are very fortunate to have a broad network of former players across a vast spectrum of professions that we need to continue to grow. Aside from the Executive Committee, our usual suspects in this area include Andrew McLellan, Gillon McLachlan, Bob Girdwood, Tony McInerney and Tom Hutchins. The Club is always interested in people who can contribute in this important area and would happily accept input from other interested parties.

The preseason camp to Torquay is becoming an annual event. It would not be nearly as successful without the "hands on" support provided by the following local families: the Torneys, the Muhlebachs, the Weddells, the Van de Pols and the Merrimans provide sensational meals for the many mouths to feed at a minimum of fuss.

While on the subject of parental involvement, thanks to Tony and Karin Heinz along with John and Sue North for opening their family homes through the year to entertain Uni Blues players, staff and supporters. It is hard to cover everything they contribute to the Club, but it would be remiss not to separately acknowledge the input and impact of the Heinz family. Their enormous contribution includes afternoon teas, supporter lunches, after match food/functions, during game BBQ's, significant input to the major fundraiser and, in 2009, the highly successful Bob Girdwood Testimonial Lunch. Bob still talks about the lunch and cannot believe the generosity of those that contributed to his guitar, which he openly acknowledges as the best present he has ever received.

Big thanks also to those who made the commitment as paid up members and player sponsors. In addition, the Club greatly appreciated the vast majority of players who paid their annual subscriptions. We know that playing Amateur football costs. However, the Club can assure every player we use your contributions wisely and hope that your reward is being involved in an enjoyable and successful football environment that will also allow you to form relationships that will last into the future and help you professionally for years to come.

All those involved at the Club also greatly appreciate the support of their partners through the season and the sacrifices made to meet Uni Blues commitments.

## **Final acknowledgements .....**

Not too many people involved in the Uni Blues have had the influence and impact in recent times as George de Crespigny. Whether it is his fantastic playing record since 1999 or his contribution in the sponsorship and fundraising area of the Committee, George's input has been sensational, he deserves many congratulations and has been formally recognised for his input being made a Life Member of the Melbourne University Football Club (MUFC) in 2009. Well done George and thanks for your outstanding service and longstanding commitment to the Club. Briefly, George has played over 150 senior games, was a member of the A Grade Premiership team in 2004, a VAFA State Representative and was leading goal kicker for the Senior team every year he has played with the Club. As stated earlier, George has regrettably indicated he will not be playing or on the Committee in 2010 but we hope his sabbatical is short lived and he returns to at least continue his off field involvement very soon. It is very difficult for Uni Blues to lose the contribution of a person like George.

Congratulations also to John Carmody, a most deserving winner of the Chris Brown Best Clubman Award for 2009. John's recent re-association with the Uni Blues has been providing significant Matchday and Thursday night support to the players ever so quietly and consistently with a minimum of fuss. Unassuming and understated beyond belief, John's input is greatly appreciated by the coaches, players and all those at the Club. It is great that former players like John can circulate back to the Club with their sons and want to have an impact off the field.

Special congratulations and thanks to our charismatic Club XVIII Captain Coach of the last 2 seasons Tom Granleese, for winning the 2009 Ted McNamara Trophy for the Best Team Player, awarded to the player whose overall effort, loyalty, spirit and drive best reflect the spirit of Ted and the Uni Blues. Tom, a Club XVIII Premiership Coach in 2008, has had an enormous

impact on the Club during his involvement. We wish Tom all the best with his career move to Queensland next year. Tom, you will be sorely missed and difficult to replace.

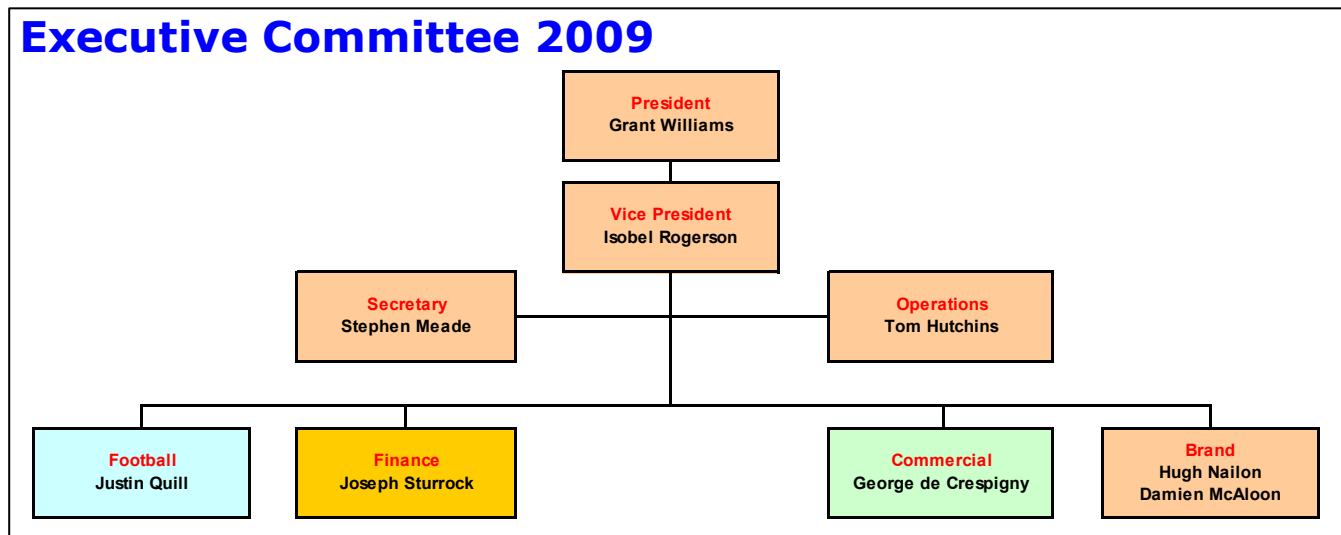

Thanks to Peter Selleck, the General Secretary of the MUFC, for supporting the Uni Blues administratively in our relationship with Melbourne University Sport (MUS) and all other members of the MUFC Board for devoting their valuable time to the collective cause of the Melbourne University football teams. Also thanks to Rod, Rechelle & Donnie at MUS for their help and understanding with the difficult demands of providing venue and facility access to over 130 eager young footballers and their coaches. The Uni Blues would also like to wish Tim Lee, the relatively newly appointed Director of MUS, all the very best in the role. The Club looks forward to working with the MUFC and Tim to ensure we can continue to improve, ensure a sustainable future and compete with the best teams in A Grade of the VAFA. The Uni Blues appreciate the efforts and cooperation of all those at the VAFA under the direction of Michael Sholly. Thanks to Jeremy, Sue, Benny, Michael and Jess, along with the VAFA Board.

In closing, thanks to all those involved with the Uni Blues, our loyal band of supporters, particularly those who drive many miles each weekend to watch the Club play and attend Club functions with such regularity. It will be a fantastic boost for the Club for Tony McInerney to take over as President, who will, I am sure, as he did during his previous time in the role, add enormously to the Uni Blues. Given that now he has the time (and he certainly has the passion for the Club!) the 2010 season promises to be very exciting with Tony at the helm. On a personal note, I would like to extend my sincere thanks to everyone involved in the Club, in particular, all of the Executive Committee members, Bob Girdwood, Bernie Angel and David Phefley for the support you afforded me during 2009. It has been pleasurable, positive and painless working with you.

Go the Uni Blues in 2010.

**Grant Williams**  
**President University Blues 2009**

## University Blues Office Bearers and Club Awards 2009

### Other Committee:

VAFA Delegate / MUFC Rep / Club Tribunal Advocate  
Treasurer

Bob Girdwood  
Bernie Angel
