### ISMV EMPLOYMENT MADE EASY

Looking for a job? Trying to recruit staff for your business? ISMV is an online service connecting Job Seekers and Employers, initiating the employment process.

ISMV was established as a tool to revolutionise the recruitment process, creating a cost effective and reliable alternative to finding a job and hiring staff.

Job Seekers use ISMV to market themselves professionally to Employers for free, through the use of the resume writer, video and photo profile tools. Employers have free access to search, preview and shortlist resume profiles and for a small fee contact candidates for prospective employment vacancies.
